GOOD-BYE, JEEMS HARGIS! Take keer yo' self!

JUDGE ROBBINS denies the allegation, but he failed to defy the alligator.

IN the great American game of politics Mr. CRAPPS BECKHAM seems to be playing "dirty ball."

GOVERNOR HUGHES, of New York, is still pursuing a course of common sense and straightforward honesty which is puzzling his antagonists as the subtlest of policies.—Baltimore American.

SENATOR FORAKER declares he voted against the Hepburn railroad rate bill because he thought it "unwise, unconstitutional and unnecessary." When we understand that Mr. FORAKER was the only Republican Senator who cast his vote against this most popular measure, and that the only two Democratic Senators to vote against the bill were MORGAN and PETTUS, of Alabama, both of whom are now dead, we see very little constitutional ground for him to stand on or to brag about. There are probably nineteen-twentieths of the total voters in the United States who wanted even a more drastic measure enacted than the one they finally got. FORAKER has been spoiled by his great popularity and the serile adulation heaped upon him by "the boys in the trenches" and the other eager thousands who wanted his assistance in butting in at the city, state and Federal pie counters.

AUDITOR HAGER declares: "I have done my duty as I understood it." He might also add: "I done my durndest; CRAPPS or PERCY might have done more."

LOUISVILLE grafters down and out, Judge HARGIS down and out, Judge ROBBINS down and out, What may we expect November 5th?

NORTH CAROLINA made the boss mistake when she put the railroad fare at 2 1/2 cents a mile. If she had marked it down to 2 cents there would have been no kick a-coming.

WITHOUT taking sides in the factional quarrel among the Democrats of Louisville, which reached a critical stage, the Democrats of the state at large need to be admonished

Narse Henry Shows That that both the state *Beckhamism is a* ticket already nominated and such ticket as may be nominated in this city and county *stand in imminent peril of defeat.*

Machine politics could go no further than it has lately gone; but machine politicians have usually some regard for decent appearances. **

Governor BECKHAM may think he has the world in a sling and the Senatorship in his pocket, but there ought to be somewhere loyalty enough and sense enough to know that he hasn't.—Courier-Journal.

JUDGE CAMPBELL

Of Georgetown, Ohio, Has Thrilling Escape in His Saw Mill

Ripley Her.

Judge Robert E. Campbell, of Georgetown, received a serious injury last Friday on his farm near Ash Ridge. He had a small saw mill running, and was leaning over the saw to oil the machine while it was in operation when the saw caught his jacket and dragged him down.

He managed to escape with his life, but received a severe gash across his breast and right side, the saw penetrating to his ribs.

He was able to be brought to his home in Georgetown, Monday. His many friends hope that he will speedily recover from his injury.

RUGGLES CAMPGROUNDS

Splendid Meeting Now in Progress at this Beautiful Resort

RUGGLES CAMPGROUNDS, July 31, 1907.

We are having one of the highest rains this evening. It is awful, but in spite of rain a fair-sized audience was out this evening to hear Rev. Arthur O'Rear, who delivered a very earnest evangelistic sermon.

The venerable Rev. H. C. Northcutt preached at 10:30 this morning and it was a service that will live long in the hearts of those in attendance. After the preliminaries had been gone through with and Brother Northcutt arose to speak, the whole audience arose and gave him the Chautauqua salute. He delivered a very helpful and inspiring sermon, after which Dr. Antman conducted the praise service. It was suggested that those who had been converted through Brother Northcutt's ministry be permitted to speak first and those who had been helped by his ministry should next speak. It was truly a blessed privilege to hear the many testimonials concerning the help that Brother Northcutt had been to their lives.

Dr. J. D. Walsh was in charge of the early prayermeeting.

The Young People's meetings have all been placed in charge of Rev. G. W. Bunton. The one held this afternoon under his leadership was an enthusiastic one. He began the meeting by calling on everyone who knew a verse of scripture to repeat it in the meeting, after which an instructive Bible lesson was read in concert; this was followed by two ten minutes talks by Rev. John Chesap and J. H. Richardson. Rev. Bunton has appointed the following persons to act with him as a committee on Young People's work—Rev. J. M. Ackman, Misses Power of Mt. Carmel, Bean of Plumville, and Birdie E. Walsh and Mr. J. H. Richardson of Maysville.

The Rev. C. J. Floyd of Cincinnati, who is a Field Secretary of the Missionary Society of the Methodist Church, arrived this afternoon and no doubt we will have an opportunity to hear him soon.

Mr. and Mrs. George R. Parker of Maysville were visitors among us today. Mr. Parker having come out on business with Mr. I. M. Lane. Rev. and Mrs. W. L. Clark of Mt. Carmel attended services with us today. Rev. Clark is Pastor of the M. E. Church South at that place.

The Rev. Mr. Sheiton, Pastor of the Presbyterian Church at Mt. Carmel visited the Campgrounds yesterday.

Mrs. J. R. Donahoe of Maysville is spending a few days with us.

Mrs. Martha Robinson of Ludlow, Ky., is a recent arrival in Camp.

Mr. W. P. Bowman, the insurance man was called to Salt Lick today on business.

Miss Sallie S. Wood arrived in Camp this evening and is the guest of Miss Esther Hutchins.

Mr. Ikes of Cincinnati, who has been enjoying Campmeeting as the guest of his friend, Mr. John Walsh, Jr., returned home today, Mr. Walsh accompanying him as far as Maysville.

Rev. G. W. Banton will be able to interest his Maysville friends for some time with the many thrilling experiences he is having this year. He was toning the country yesterday and had the misfortune to fall in the creek twice.

The roof of the Tabernacle is receiving a coat of tar today, in consequence of which, one of our dignified Presiding Elders is in a predicament because his only hat was where the tar leaked through on top of it; however, he says that he was tar-ed of it anyway.

A handsome young business man, who is a junior member of a prominent cigar manufacturing firm of Maysville, who is rusticated at this place at the present time, and who has heretofore been proof against the fascinations of the fairer sex, has since coming out here completely succumbed to the artful devices of Ophelia, and they do say if all goes well there may be an opportunity for some enterprising parson to augment his hawk account by launching this worthy young man on the sea of matrimony.

COOPER BUILDING

To Come Down—Skyscraper Takes Its Place—Old Structure Famous Landmark

Maysville, has taken wonderful strides in forging to the front in the past twenty-five years. During that time many changes have taken place, and the upbuilding of the city has gone steadily forward until today few cities of its size, wealth and population surpass it in modern ways and conveniences.

One by one, old landmarks, once the pride of a past generation, have been displaced by modern and up-to-date structures.

Among the most prominent to give way to the advancement of the times is that of the Cooper Building in West Second street soon to give place to a twentieth century sky-scraper.

Away back in the misty past, the first owner of the lot on which the present building stands was conveyed by the town Trustees to Jeremiah Stansberry, and later owned by January and John Armstrong, the latter becoming the sole owner was conveyed by his heirs to Newton Cooper and by Cooper's Administrator to W. W. Bail.

Cooper's Hall, as it is called, was remodeled as it now stands in 1871. The revenue derived from rental of the various departments in the building for years amounted \$2,300 per annum.

The East room on the first floor was occupied at various times by N. Cooper, Cooper, Power & Dawson; Cooper & Dawson; Cooper & Bissett; Cooper, Bissett, Holmes & Hobson; McClana han & Shee, and H. Raap, all stove and tin dealers and later by Greeks and now Maysville Fruit Company.

West lower floor—Stockton Lane, dry goods; H. G. Smoot, boots and shoes; F. C. Petry, 50c store; Riffe's drugstore; Mrs. L. V. Davis, millinery; F. B. Ransom, shoe store, and Dan Cohen, shoe store.

Second floor—John B. Gibson, telegraph office; Tennessee Telephone Company; W. B. Plister, revenue office; J. G. Wadsworth, same; Dr. W. S. Moore, dental office; Norton's bucket shop; W. W. Lynch, shoe shop; Dr. G. M. Williams, dental office; H. E. Pogue, distillery office; Drs. Tanlhee, office.

The rear room on same floor was occupied by Editor Thomas A. Davis as a publication room for the Maysville Republican, followed by Thomas, Blaine & Taylor, and later by G. W. Oldham, Sunday Morning Call Office.

Third floor by I. O. O. F. and recently Knights of Pythias.

The contract for the new building will be let the 12th of August.

A great many people wonder why they have typhoid fever in their families, and yet lot poisonous weeds grow up at their very doors, and about their premises, without ever cutting them down. FEARFUL ITCHING BURNING SORES

Boy in Misery 12 Years—Eczema Spread Over Body in Rough Scales, Cracked, Inflamed, and Swollen—Case Pronounced Incurable, but Completely Cured by Two Sets of Cuticura Remedies.

HIS SKIN NOW FINE AND SMOOTH AS SILK

"I wish to inform you that your wonderful Cuticura has put a stop to twelve years of misery I passed with my son. As an infant I noticed on his body a red spot and treated same with different remedies for about five years, but when the spot began to get larger I put him under the care of doctors. Under their treatment the disease spread to four different parts of his body. The longer the doctors treated him the worse it grew. During the day it would get rough and form like scales. At night it would be cracked, inflamed, and badly swollen, with terrible burning and itching. When I think of his suffering, it nearly breaks my heart. His screams could be heard down stairs. The suffering of my son made me full of misery. I had no ambition to work, to eat, nor could I sleep.

"One doctor told me that my son's eczema was incurable, and gave it up for a bad job. One evening I saw an article in the paper about the wonderful Cuticura and decided to give it a trial. I tell you that Cuticura Ointment is worth its weight in gold, and when I had used the first box of Ointment there was a great improvement, and by the time I had used the second set of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent my child was cured. He is now twelve years old, and his skin is as fine and smooth as silk. Michael Steinman, 7 Sumner Avenue, Brooklyn, N. Y., April 16, 1905."

FOR WOMAN'S EYE

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment, and Pills in antiseptic cleansing, thus affording pure, sweet, and economical local and constitutional treatment for inflammations, itchings, irritations, relaxations, displacements, and pains, as well as such sympathetic affections as anemia, chlorosis, hysteria, nervousness, and debility.

CAPTURE BUFFALO

How the Sight-Seers Impress the People around Niagara

That Kentucky, and more especially Maysville, is very much on the map is evidenced by the following dispatch from Buffalo, N. Y., taken from The Courier-Journal:

It is seldom that 250 congenial spirits can be gotten together for a month's excursion, but that is what Thomas Stättler, of Maysville, Ky., succeeded in doing. The members of the party came to Buffalo this morning from Niagara Falls, where they have been spending a couple of days. They will spend today in Buffalo and leave tonight by boat for Cleveland, where another day will be spent, and then the South-erners will move on toward home.

Mr. Stättler is a prominent lawyer, and his party is made up of business men and their families, with but few children among them. T. M. French, representative of the American Tobacco Company in the South, and a number of Louisville and Nashville railway officials are also included in the party.

Eight sleepers were required to accommodate the excursionists when they left Cincinnati. They are residents of Maysville, Carlisle, Lexington, Cincinnati, Paris and Falmouth, Ky., and what they do not know about having a good time is not worth learning. While here they stopped at the Genesee Hotel. The Kentuckians made a fine impression in Buffalo.

Of course it is not hard to place "Mr. Stättler," and that the Maysville gang is getting a run for their money goes without saying.

The gage marks 17.0 and falling.

The steamer Pacific is at Cairo, being repaired of a broken shaft.

The Howards are rebuilding the steamer Levi J. Workman at the Madison Marine Ways.

The United States lighthouse tender Goldenrod is on her way up from the lower Ohio.

The Queen City was unable to make her way into the Pittsburgh harbor on her last trip on account of the low water.

The City of Cincinnati has the whistle which was on the Bonanza for years. It is the sweetest sounding whistle on the Ohio river.

All the boats are carrying lots of excursionists, travelers finding it more pleasant to travel by water at this season of the year than by rail.

At Huntington a few days ago Jake Pitner, owner of the excursion steamer Sunshine, was arrested for allowing intoxicants to be sold on the boat.

The work of raising Davis Island Dam has begun, and soon the big steel structure will hold back sufficient water to insure navigation between city points.

Captain Ellison D. McGuire, 73 years old, died at Madison, Ind. He was a steamboat man of olden times, and many years one of the best known and most popular stewards on the Ohio river.

As a result of the many high stages of water in the rivers at Pittsburgh this year, which were highly satisfactory to coal shippers and other rivermen, the dams of that district cannot be finished this year.

It is rumored that Colonel Thomas, Traffic Manager of the Monongahela River Consolidated Company at Cairo, will accept a lucrative position with a large steel plant, with headquarters at Pittsburgh.

READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Pears' Complexion Soap, a non-injurious, healthful soap. Talcum powder keeps the skin cool, always heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

SOCIETY

Yesterday afternoon the spacious and beautiful lawn surrounding Woodleigh, the suburban home of Mr. J. James Wood, presented an entrancing and kaleidoscopic scene. The occasion was a lawn party given by Mr. Wood in honor of his grandchildren, Master James Needham Parry and Miss Letitia Parry. About seventy-five little folks participated in the merry-making and joys of the afternoon. With joyous laughter the charming little maids and gallant young cavaliers flitted here and yon creating a scene like that unto a fairy land. It was a notable gathering of prim little misses and masters who will cherish in memory dear the pleasures of the day long after they have become sedate and settled in their way.

THE POWERS CASE

Still Hangs Fire—Appointment of New Judge Expected at Once—Powers Will Run For Congress

The trial of Caleb Powers is still "up in the air."

Attorney Franklin says the Commonwealth will be ready for trial whenever another Judge shall have been appointed. The witnesses will have to be summoned again.

Caleb Powers was hastily engaged yesterday in his cell at the Jail dictating to a stenographer his reply to the opinion of Judge Robbins, in which Powers was severely arraigned. Robbins took up each allegation of Powers in his affidavit and denounced it as utterly a falsehood. Powers will respond in detail to every remark of Robbins directed toward him. Powers and attorneys will clamor for the immediate appointment of a Judge by Governor Beckham.

R. B. Franklin says that he will guarantee a safe return to Indiana for W. S. Taylor if he wants to come to Kentucky and testify in behalf of Caleb Powers. He has been summoned as a witness for the defense.

It is now believed that the trial will be taken up early next week, as the defense wants an immediate hearing and will waive the ten days required to be given in the appointment of a Special Judge.

Misses Mae and Jessie Powers of Augusta are guests of friends here.

The Cynthiana Fair is on this week and is proving a success in every way.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A FATAL MISTAKE.

Is Often Made by the Wisest of Maysville People.

It's a fatal mistake to neglect backache. Backache is the first symptom of kidney ills. Serious complications follow. Doan's Kidney Pills cure them promptly. Don't delay until too late. Until it becomes diabetes—Bright's disease. Read what a Maysville citizen says: James D. Tolle, clerk at Wood Bros. meat market, and living at 117 Short street, Maysville, Ky., says: "I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent. There was also a burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit continued their use until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
